Mission Statement

The Church by The Glades Preschool is committed to offering a program that meets your child's physical, social and emotional needs and that will promote their success in life and encourage them to commit to the adventure of following Christ

Philosophy

We believe that the preschool years provide the foundation for social and academic success. Young children have a natural capacity to play and learn.

The Church by The Glades Preschool provides an environment in which children play and imagine, wonder and explore, make new friends through social experience, enjoy new opportunities and develop a relationship with Christ.

At The Church by The Glades Preschool we respect that each child has individual differences and we recognize that all children develop at their own pace and in accordance with their own style. Our program provides each child with choices, challenges and opportunities that nurture feelings of self esteem, competence and intellectual growth. Our curriculum promotes literacy and incorporates biblical teachings.

Arrival and Dismissal

Parents must come into the center with their children to drop off and pick up. All children must be signed in and out each day. Sign in and out books are located in the lobby. This is extremely important as these sheets are used in the event of an emergency. Children will only be released to parents or to an adult that has been designated in writing. Anyone that picks up your child must show a picture id that corresponds with the name on your pick up list.

Center Operations

We are opened Monday through Friday from 7:00am to 6:00pm. Any child (children) picked up after closing will be charged \$1 for every minute you are late.

Emergencies

Minor accidents occurring during class such as cuts and scratches will receive prompt attention by staff members. The injuries will be treated with soap, water and bandaids. In the event of a serious emergency, parents will be contacted. All accidents/incidents are documented on an accident/incident report. Parents must sign the report and they will be given a copy.

New Student/Parent Orientation

The Church by The Glades Preschool attempts to make every family feel welcomed and happy that they chose our center for their childcare needs. We encourage student and parent interactions. Parents can volunteer or attend special events. We encourage all parents to be involved in their child's education and in developing their relationship with Christ.

Parent Observation

We have an open door policy which means that you can come and drop in and out whenever you wish. You cannot sit down and actually observe a class in progress without an appointment. It would be too disruptive to the children. Our children come first at all times. Our goal is to provide the children with a warm, orderly, nurturing environment and your cooperation helps to ensure this.

Newsletter

A monthly news letter, News You Can Use, will be sent home with informative articles and upcoming events.

Daily Reports

You will receive a daily report from your child's teacher on the needs and performance of your child. It will tell you the highlights of your child's day and inform you of any items needed.

Conferences

Any parents who have concerns are welcomed to speak to the teacher before or after class time. Children's progress and any problems that the child may be having can be discussed at this time or an appointment can be made through the office.

Communicating Changes

In the event that significant change is going to occur in your home, the center needs to be informed. All information is confidential. This helps us to better interact with your child.

All students are to bring a healthy morning snack, lunch and afternoon snack to school each day

Birthdays

Birthdays are a special time for the children. Children enjoy bringing in special snacks to share with their friends. Please check with your child's teacher to see what would be acceptable for their class. Only store bought cakes and cupcakes are allowed. No unblown balloons.

Your Child's First Week Of School

On your child's first day, all required paperwork must be turned in and completely filled out. Children should not bring in any toys, except for show and tell. The center is not responsible for lost or stolen items. The center will not be responsible for any jewelry. Children should not wear clothes that hamper going to the bathroom alone. Since children will be on the playground, closed toe shoes should be worn.

Adjusting

On the first day, your child may be tearful and have some misgivings about going to school, this is normal Your child's adjustment depends on you and your reaction. We ask for your cooperation in making the transition process easy for your child. The more confident you are in our center, the quicker your child will adjust. With some children, we find it is best for the parent to smile confidently, say goodbye and leave quickly. With other children, we recommend a more gradual goodbye. Children frequently cry just until the parent leaves, then the tears stop. We will keep you informed if your child is crying more than this.

Discipline Policy/Behavior Problem

Our staff models expected behavior and uses positive methods of discipline which encourages self control, self direction, self esteem and cooperation among the children. Discipline should be biblical and corporal punishment will never be used. Time out for no longer than the child's age would be used if needed. Our goal is to give the children the security of knowing we care enough to prevent them from hurting themselves or others.

A child will only be disenrolled when all avenues have been explored and the decision is made to disenroll the child to do what is in the best interest of the child and all the children.

Weather Emergencies

In the event of a severe weather emergency, The Church by The Glades Preschool follows the guidelines of the Broward County School Board.

However, we reserve the right to modify a policy based on what's in the best interest of the children and the school. As an emergency occurs, we will post signs informing parents of the status of our school. You can also call the school for updated messages.

Non Discrimination Policy

The Church by The Glades Preschool admits children of race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available at the school.
